Tilføj intelligens til enhver video

Automatiske under-tekster øger videoens rækkevidde.

“Ansigts-tidslinje” genereret af den automatiske ansigts-genkendelse, giver bedre navigation i videoen.

Automatisk genereret transskribering af tale i videoen giver mulighed for at søge i alt hvad der bliver sagt

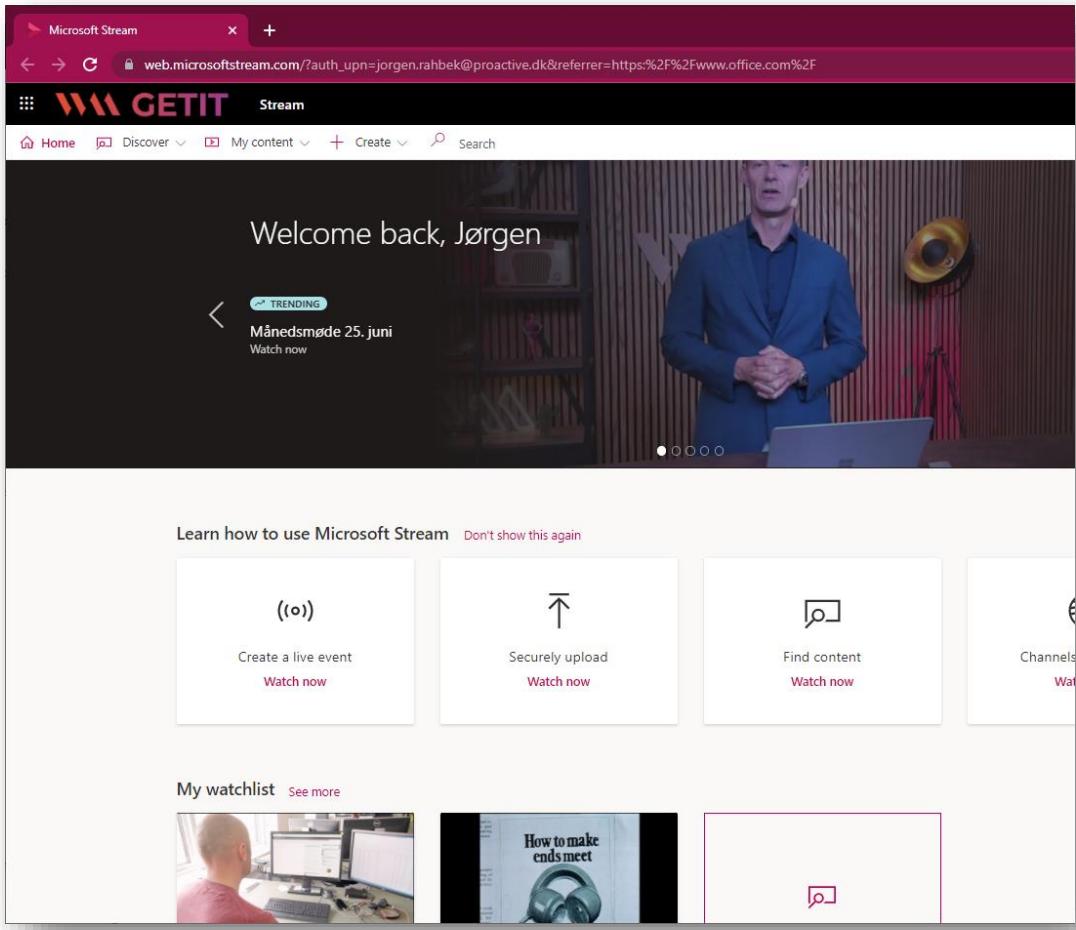

Klikbare tidskoder i kommentarsektion, transcript eller indholdsfortegnelse, bringer dig til et specifikt sted i videoen.

Stream – Stor opgadering

- Eksisterende Stream-service bliver nu "*Stream Classic*"
- Ny Stream kaldes indtil videre: "Stream (bygget på SharePoint)" aka '*Den nye Stream*' / *New Stream*
- Nye funktioner kommer løbende til "Stream (bygget på SharePoint)"
- *Stream Classic* udfases på et tidspunkt
- Vil I beholde indhold fra jeres nuværende Stream (Klassisk) skal i gøre noget

Nye lister: Brug skabeloner, Excel-ark, tidligere lister eller start med blank side

The screenshot illustrates the Microsoft Lists interface within a Microsoft Teams environment. On the left, the Teams sidebar shows channels like 'Contoso events' and 'HR'. A modal window titled 'Create a list' is open, offering three creation methods: 'Blank list', 'From Excel', and 'From existing list'. Below this, a grid of 'Templates' is displayed, including 'Patients', 'Incidents', 'Loans', 'Issue tracker', 'Event itinerary', 'Business trip approvals', 'Team contacts', 'Asset tracker', 'Project planning', and 'Onboarding checklist'. To the right, the main 'Lists' page is shown, featuring sections for 'Favorites' (with placeholder items) and 'Recent lists' (listing 'Event itinerary - June ...', 'Sampling Products', 'Morale Events', 'Sales Morale Events', 'Checkpoint Scheduling', 'Design sprint', and 'Trip cancellations'). A search bar and a 'Create new list' button are also visible.

Ny Windows-desktop Lists App

The screenshot shows the Microsoft Lists desktop application interface. At the top, there's a purple header bar with the title "Microsoft Lists - Plan for All Hands - Lists". Below the header is a toolbar with various icons: "+ New", "Edit in grid view", "Share", "Export", "Automate", "Integrate", "Open in SharePoint", and a search bar labeled "Search this list". On the right side of the toolbar are settings, help, and user profile icons.

The main area displays a table titled "Plan for All Hands" with three rows of data:

Session name	Session code	Session type	Description	Speaker(s)	Start date and t...	End Date and Ti...	Duration	Capacity
Registrering og kaffe	001	Meal	Registrering, uddeling af badges, mulighed for kaffe, te og morgenbrød	Reception RA1	12-01-2021 07:30	12-01-2021 08:30		250

The Power BI app for Microsoft Teams allows users to access and analyze data directly from within the Microsoft Teams interface. The app provides a dashboard for operations analytics, including real-time data like total R&D projects (5), sales growth (9.90%), and orders per week (27). It also includes visualizations for customer bulk order status and sales by country. The app integrates with Microsoft Teams' communication features, such as the 'Chat in Teams' button, and provides a direct link to the Power BI report for further analysis.

The 'Share to Microsoft Teams' feature allows users to easily share Power BI reports directly within the Microsoft Teams environment. This screenshot shows the sharing interface where users can select recipients (Elizabeth Nørlov Sarr and Megan Bowen) and add a comment or link. The interface includes a 'Join conversation' button and the Microsoft Teams logo, providing a seamless way to collaborate on data analysis within the organization's communication platform.

Inspection

Eksempel: Inspektions-app

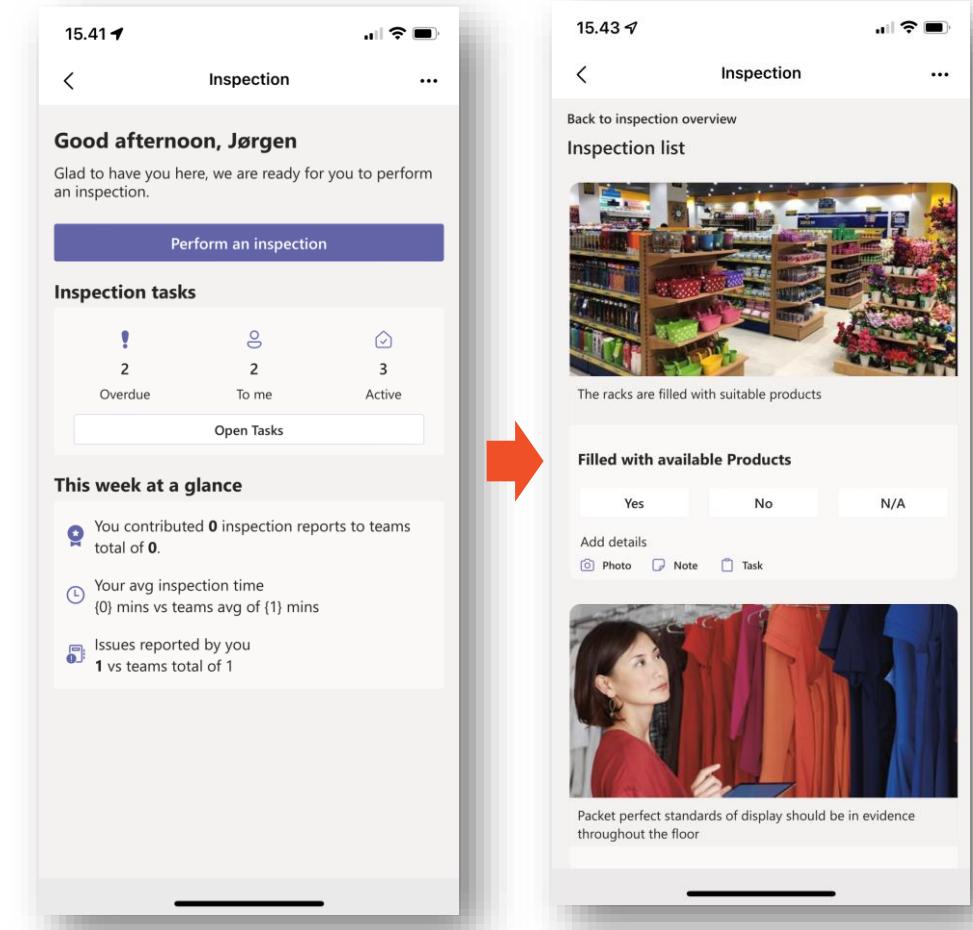

Tjek om lokaler, faciliteter, udstyr m.v. er i orden og registrerer evt. mangler

- Power App på mobil enhed bruges til at registrere og dokumentere fejl og mangler
- Hver registrering kan inkludere fotos, GPS-data, noter m.v.
- Registrering indsamles, analyseres og prioriteres
- Opgaver kan oprettes i Planner med deadline, ejer, delopgaver m.v.
- Alt kan tilgås direkte fra Teams

Læs mere om denne og andre typiske opgaver/mønstre til Power Apps her:

Bevar kontekst for mødet og fortsæt dialogen

Før mødet

- Forbered agenda og invitér til feedback på indhold
- Samarbejde om dokumenter
- Fortsæt den løbende samtale
- Book mødet i enten Teams eller Outlook

Under mødet

- Deltag i mødet fra den ønskede enhed
- Video og indhold er naturlige elementer
- Deling af skrivebord, apps og indhold
- Transskribér for automatisk mødereferat med talernavne
- Optag mødet

Efter mødet

- Fortsat dialog om emner fra mødet
- Deling med andre (@navn)
- Samarbejde om dokumenter
- Planlæg opfølgningsmøder i samme kontekst
- Brug transskript til referat, noter m.v.
- Afspilning af mødeooptagelser

Apps til Teams

The screenshot shows the Microsoft Teams App Catalogue interface. On the left, a sidebar lists various Microsoft 365 apps like GetIT, Activity, Chat, Teams, Calendar, Calls, Files, Tasks by Planner, IntraActive Approvals, Viva Insights, and Help. The main area is titled 'Apps' and features a search bar at the top. A large banner in the center says 'Celebrate together' with four decorative icons: a star, a hand, a gear, and a flower. Below this is a section titled 'Built for your org' which is highlighted with a red box. This section contains cards for 'IntraActive Governance' (by IntraActive), 'GetIT' (by IntraActive), 'Pling' (by Proactive A/S), and 'Proactive for teams v2' (by Proactive A/S). Each card has a small icon, the app name, the developer, and a brief description. Below this is a 'What's new' section with cards for 'Signeasy' (Glykka LLC), 'Teamble' (Teamble), 'Jira Cloud' (Atlassian), and 'Teamwork' (Teamwork). At the bottom, there's a 'All apps' section with cards for 'Planet eStream' (Planet eStream), 'IntraActive Governance' (IntraActive), 'Tasks by Planner and...' (Microsoft Corporation), and 'OneNote' (Microsoft Corporation). A 'See all' link is located in the top right of the 'Built for your org' and 'What's new' sections.

Teams-møder: Q&A App

The screenshot shows the Microsoft Teams Q&A app interface. At the top, there's a search bar and a header with the team name "Fellowmind Den...". Below the header, there are tabs for "Activity", "Chat", "Files", "Details", and "Q&A", with "Q&A" being the active tab. The main area displays two published Q&A posts:

- Jørgen Rahbek** (40m ago): "Dette er en test at et Attendee spm". A comment from **Megan Bowen** (External) says "Hvor bliver svaret af?".
- Jørgen Rahbek** (41m ago): "Er der afsat tid til frokost?". A comment from **Jørgen Rahbek** (21m ago) says "Og igen svaret på frokost".

Below the posts, there are "Like" and "Comment" buttons, and a note "Be the first to like this". On the right, there are "Q&A Settings" for attendees and organizers.

A red arrow points from the "Settings" icon (gear icon) in the top right corner of the main window to a detailed view of the "Breakout rooms settings" dialog box. The dialog box contains the following configuration options:

- Assign presenters to manage rooms (switched on)
- Lasse Skjel... listed as a presenter (removal button available)
- Set a time limit (switched on)
 - 0 hours
 - 15 minutes
- Automatically move people to rooms (switched on)
- Let people return to the main meeting (switched off)

- Samlet oprettelse og sletning af rum
- Tilføjelse, sletning og omdøbning af individuelle rum
- Konfigurering af mødeoptioner for hvert enkelt rum
- Justering af indstillinger (fx varighed) for breakout-sessionen
- Forud-tildeling af deltagere både manuelt og automatisk
- Vælg ledere af breakout rooms. (Kun specifikt inviterede "præsentations-værter" fra samme tenant kan pt. vælges som leder af et breakout room)
- Op til 300 deltagere kan inviteres, men det er kun deltagere fra samme tenant eller federerede tenants, som kan forud-tildeles.

Left Screenshot (Microsoft Teams): A Teams meeting is displayed for the "JR_Demo_team" channel. The "All Hands meetings" message card is highlighted with a red box. A context menu is open over this message, with the "Åbn i SharePoint" (Open in SharePoint) option highlighted with a red box. A large orange arrow points from this menu to the right screenshot.

Right Screenshot (SharePoint): The SharePoint library for the "JR_Demo_team" site is shown. The "Dokumenter" folder is highlighted with a red box. Inside this folder, four sub-folders are listed: "All Hands meetings", "General", "HR onboarding", and "Kunde - Contoso Teams Demo".

1. Alle dokumenter i Teams ligger i SharePoint
2. Åbn SharePoint "skyggen" inden mødet
3. Åbn de ønskede filer i separate faner inden mødet, eller efter behov
4. Del din browser i mødet, og du har frihed til at skifte mellem filerne

Avoid Obstacles
The Contoso dual rear vision sensors and infrared cameras combine with the autonomous flight system for a wide range of obstacle sensing and avoidance.

Greater strength
Using carbon fiber and magnesium alloy construction the Contoso Max 8 not only is the lightest in its class but also the most rigid.

Longer Flight Time
To extend amazing aerial insights you need longer flight times. The Contoso Max 8 has a flight time of up to 30 minutes.

Cloud Connected for Intelligence
Every flight your Contoso Max 8 gets smarter and faster to operate thanks to its real-time connection to the Microsoft Cloud and advanced machine learning algorithms.

Overvej at bruge en URL-forkorter til invitationen

- Fx bit.ly
- Det giver mulighed for at dele URL'er der kortere og lettere læselige
- Og mulighed for at ændre den "fysiske" URL til mødet uden at opdatere alle invitationer. (Hvis mødet fx bliver startet ved en fejl under prøverne)

Sammensmelting af telefoni og samarbejde

“Collaborative Calling”

The screenshot shows the Microsoft Teams interface with the 'Support' channel selected. On the left, the 'Teams' sidebar lists various teams and channels, with 'Support' currently highlighted. The main area displays a 'History' of recent calls. Each call entry includes the caller's profile picture, name, device (Mobile or Phone), location, a preview of the call content ('Lorem ipsum dolor sit amet, consecete, Son ...'), the start time (07:52), the end time (9:20 PM), and the duration (9:20 PM). To the right of the call history is a 'Agents' section showing a list of team members with their availability status (Available, On call, Available) and a toggle switch for taking calls. A large blue call overlay box is prominently displayed in the bottom right corner, containing the text 'Call for Northwind Traders, Support' and the phone number '+1 (509) 670-0594', along with video, audio, and hang-up icons.

Collaborative calling giver mulighed for at forbinde en opkaldskø direkte til en kanal i Teams. Brugere kan samarbejde og dele information i kanalen, og samtidig håndtere opkald fra køen.

- Delt historik for opkalds-kø
- Delt opkalds-kø til telefonsvarer
- Oversigt i højre side viser agent-status og ind- og udlogging af kø
